

C. Remarks:

The claims have been amended in order to place the application in better form.

Claims 37 and 44 have been amended. The fact that Claims 37 and 44 have been amended, however, is not to be construed as an admission by Applicants or Applicants' attorneys that such claims, prior to the amendment thereof, were not patentable.

Claims 53-59 have been cancelled without prejudice. The fact that Claims 53-59 have been cancelled without prejudice is not to be construed as an admission by Applicants or Applicants' attorneys that such claims are not patentable, and Applicants reserve the right to prosecute such claims in a continuing application.

For various reasons, this application is in condition for allowance, and it is therefore respectfully requested that the rejections be reconsidered and withdrawn, and a favorable action is hereby solicited.

Respectfully submitted,

A handwritten signature in cursive script, reading "Raymond J. Lillie".
